Roland Barthes

Neutro, lo. Notas de cursos y seminarios en el Collège de France, 1977-1978 (Spanish Edition) Roland Barthes

Esta obra comprende las notas de cursos y seminarios dictados por el autor en el Collège de France en el periodo 1977-1978. En el anterior volumen, *Cómo vivir juntos. Simulaciones novelescas de algunos espacios cotidianos*, presenta el trabajo realizado durante el primer ciclo (1976-1977) e incluye dos seminarios. El autor asume la intención de hablar sobre la incógnita que siempre lo había desvelado, lo neutro, o mejor, el "deseo de lo neutro", como pliegue íntimo y como categoría mayor que desestabiliza todas las categorías y todos los sistemas; lo neutro como llave maestra, como principio crítico, peligroso y desquiciante, una promesa nunca cumplida de la novedad más radical, aquella que permite liberar al pensamiento de su costumbre y de su condena clasificatoria. Este seminario es el más sutilmente marcado por la autobiografía personal e intelectual
