Books a la Carte are unbound, three-hole-punch versions of the textbook. This lower cost option is easy to transport and comes with same access code or media that would be packaged with the bound book.

Walker's goal is to help you make the connection between a conceptual understanding of physics and the various skills necessary to solve quantitative problems. The pedagogy and approach are based on over 20 years of teaching and reflect the results of physics education research. Already one of the best-selling textbooks in algebra-based physics, The Fourth Edition strengthens both the conceptual foundations and the tools for problem solving to make the book even better suited to today's students.

Physics, Fourth Edition Technology Update, is accompanied by a significantly more robust **MasteringPhysics**[®] —the most advanced, educationally effective, and widely used online physics tutorial and homework system in the world. Additionally, QR codes appear throughout the textbook, enabling you to use your smartphone or tablet to instantly watch interactive videos about relevant demonstrations or problem-solving strategies.

This package consists of:

- Books a la Carte for Physics Technology Update, Fourth Edition
- MasteringPhysics with Pearson eText Access Code Card for Physics Technology Update, Fourth Edition
