You Can Believe the Bible Dr. Willis C. Newman

This book is a compact overview of the Bible. It is more a book on what the Bible is, rather than what the Bible says. We live in a day when this great Book is considered a relic of the past, irrelevant or in some cases a danger to society. This book is designed to give the reader an overview of the nature of the Bible and its place in society. Many reasons, based on solid evidence, are listed demonstrating why we can take the Bible at face value. Our objective of this work is to challenge the non-believer to take the Bible seriously and to give a boldness and confidence to the believer. We can proclaim the Bible with assurance that it is truth from God to the human race. We can trust the Bible with decisions in our own personal life. It is a Book that we can use to form the foundation of our life, family, society, and nation.
