## Effective Python: 59 Specific Ways to Write Better Python (Effective Software Development Series)

Brett Slatkin

It's easy to start writing code with Python: that's why the language is so immensely popular. However, Python has unique strengths, charms, and expressivity that can be hard to grasp at first -- as well as hidden pitfalls that can easily trip you up if you aren't aware of them. **Effective Python** will help you harness the full power of Python to write exceptionally robust, efficient, maintainable, and well-performing code. Utilizing the concise, scenario-driven style pioneered in Scott Meyers's best-selling *Effective C++*, Brett Slatkin brings together 59 Python best practices, tips, shortcuts, and realistic code examples from expert programmers.

Through realistic examples, Slatkin uncovers little-known Python quirks, intricacies, and idioms that powerfully impact code behavior and performance. You'll learn how to choose the most efficient and effective way to accomplish key tasks when multiple options exist, and how to write code that's easier to understand, maintain, and improve.

Drawing on his deep understanding of Python's capabilities, Slatkin offers practical advice for each major area of development with both Python 3.x and Python 2.x. Coverage includes:

- Algorithms
- Objects
- Concurrency
- Collaboration
- Built-in modules
- Production techniques
- And more

Each section contains specific, actionable guidelines organized into items, each with carefully worded advice supported by detailed technical arguments and illuminating examples. Using **Effective Python**, you can systematically improve all the Python code you write: not by blindly following rules or mimicking incomprehensible idioms, but by gaining a deep understanding of the technical reasons why they make sense.

### **From reader reviews:**

#### **Jaclyn Davis:**

The book Effective Python: 59 Specific Ways to Write Better Python (Effective Software Development Series) give you a sense of feeling enjoy for your spare time. You can utilize to make your capable considerably more increase. Book can to become your best friend when you getting pressure or having big problem together with your subject. If you can make studying a book Effective Python: 59 Specific Ways to Write Better Python (Effective Software Development Series) being your habit, you can get a lot more advantages, like add your personal capable, increase your knowledge about a number of or all subjects. You may know everything if you like open up and read a guide Effective Python: 59 Specific Ways to Write Better Python (Effective Software Development Series). Kinds of book are a lot of. It means that, science guide or encyclopedia or some others. So , how do you think about this e-book?

#### **Marie Williams:**

The ability that you get from Effective Python: 59 Specific Ways to Write Better Python (Effective Software Development Series) is a more deep you digging the information that hide in the words the more you get enthusiastic about reading it. It does not mean that this book is hard to be aware of but Effective Python: 59 Specific Ways to Write Better Python (Effective Software Development Series) giving you thrill feeling of reading. The author conveys their point in a number of way that can be understood by anyone who read this because the author of this reserve is well-known enough. This kind of book also makes your personal vocabulary increase well. It is therefore easy to understand then can go to you, both in printed or e-book style are available. We highly recommend you for having that Effective Python: 59 Specific Ways to Write Better Python (Effective Software Development Series) instantly.

#### **Bobbi Wilkinson:**

The reserve with title Effective Python: 59 Specific Ways to Write Better Python (Effective Software Development Series) includes a lot of information that you can understand it. You can get a lot of benefit after read this book. This book exist new expertise the information that exist in this guide represented the condition of the world now. That is important to yo7u to be aware of how the improvement of the world. That book will bring you within new era of the syndication. You can read the e-book in your smart phone, so you can read the idea anywhere you want.

#### **Jill Weber:**

This Effective Python: 59 Specific Ways to Write Better Python (Effective Software Development Series) is brand-new way for you who has interest to look for some information mainly because it relief your hunger info. Getting deeper you into it getting knowledge more you know or else you who still having tiny amount of digest in reading this Effective Python: 59 Specific Ways to Write Better Python (Effective Software Development Series) can be the light food for you because the information inside this particular book is easy

to get by anyone. These books acquire itself in the form which can be reachable by anyone, yep I mean in the e-book contact form. People who think that in publication form make them feel tired even dizzy this guide is the answer. So there isn't any in reading a reserve especially this one. You can find actually looking for. It should be here for anyone. So , don't miss it! Just read this e-book type for your better life in addition to knowledge.
