"A crude rendition of Beauty and the beast." Amazon reviewer

Series Description:

I was twenty-one, a sassy college student who took crap from no one. While holidaying in Mexico, I was accosted by The Devil of Mexico called Diablo and shot, because the bastard mistook me for a spy. I survived, only to encounter him again months later. How's that for luck?

Furious and sick of all that I'd been through because of him, I slapped him, told him to go fuck himself and braced myself for the bullet. He could shoot me – I no longer cared.

But, to my surprise, he became fascinated with me, and blackmailed me into becoming his woman. He'd slay the entire village that sheltered me if I rejected his proposal.

He was Kong, hairy, tattooed from fingertips to face, with scary ass piercings, blood-shot snake eyes, a ruthless killer and above all, he was my murderer – how could anyone expect me to say yes?

To save the village I had to. I despised the bastard and I told him that. Spark flew. Fists too.

When the FBI came on the scene and secretly recruited me to help put Diablo behind bars, I was thrilled. I wanted them to throw his ass behind bars, then torment him for the rest of his life like he was doing to me. I was willing to do whatever it took to get him there.

But, the more I rejected Diablo, the more he wanted me.

At times he wanted to kill me because of my insolence, but other times he just wanted me to love him.

I was his Gringa and in an attempt to get my love, he began to change for me. Drastic changes that made me laugh at him at first, then made me curious and even intrigued me.

As the days went by, I found myself drawn to him and I began seeing him differently. When I found out about his past, everything changed.

I now wanted to protect my murderer, my tormentor.

My days in Mexico were filled with violence, hate, lust and sorrow. It was also filled with laughter, love and passion and most importantly, it taught me that love conquers all.

If you enjoy, contemporary romance, major crime stories or romantic thrillers, you will love this fast-paced, humorous yet tear-jerker.

**WARNING:** This book contains sexual violence, steamy sex scenes, graphic language, drug references, violence and is suitable for mature readers

**REVIEWS:**

"IMO, It is one of the best romance books ive read in some time. I read it all in one sitting. I couldn't peel my eyes away even for a minute. The story had it all from action to romance."

"Some scenes had me giggling out loud, but there was one scene that had me laughing out loud for a couple minutes."

"If you want boy meet girl, fall in love and live happily ever after, you may want to pass on this book. If you want an awesome kick ass love story that you can't put down, this is your book! A story like no other."

"This book is not for the faint of heart. It's horrible, dirty, raw, passionate, hilarious, sweet, sad, sexy, addictive, and so much more."

'One thing that I like from this author now that I have read all her books is that she takes time to develop her characters as well as develop the romance. There is no zero to 60 in 3 seconds here. Her characters are flawed and multi-dimensional.'

“The author has woven such intricate characters in this tale and I will be hard pressed to find another book which was so well rounded and beautifully written.
