## Islands Samantha Kane

Lieutenant Commander Gabriel Conlan, United States Navy Seabees, knows he's not in Kansas anymore when he steps off the launch at the small island of Ile Dorée and sees gorgeous Frenchman René Dubois waiting for him on the dock. The year is 1943, the place is the Pacific and the world is at war. Free from the censure of the military, Gabe has an explosive affair with René. But when the world intrudes, Gabe denies René and tries to forget the best sex of his life.

The only westerner on his small Pacific island, René is desperately lonely. When the tall, lanky American steps onto his dock, René knows his life will never be the same. He teaches Gabe how to make love to a man and, unexpectedly, falls in love. René will brave prejudice, Japanese Zeros and Gabe's reluctance to find love at last.

Reader Advisory: This story has graphic sexual language and scenes - no closed bedroom doors (or other rooms) here!

### From reader reviews:

#### **Katrina White:**

Do you have favorite book? When you have, what is your favorite's book? Publication is very important thing for us to know everything in the world. Each reserve has different aim as well as goal; it means that publication has different type. Some people really feel enjoy to spend their time to read a book. They are reading whatever they acquire because their hobby is usually reading a book. How about the person who don't like reading a book? Sometime, man feel need book once they found difficult problem or even exercise. Well, probably you will require this Islands.

#### **Julian Eaton:**

This Islands is great guide for you because the content and that is full of information for you who always deal with world and have to make decision every minute. This kind of book reveal it data accurately using great organize word or we can declare no rambling sentences within it. So if you are read this hurriedly you can have whole data in it. Doesn't mean it only offers you straight forward sentences but challenging core information with beautiful delivering sentences. Having Islands in your hand like obtaining the world in your arm, facts in it is not ridiculous one particular. We can say that no reserve that offer you world within ten or fifteen minute right but this book already do that. So , it is good reading book. Heya Mr. and Mrs. hectic do you still doubt that will?

#### **Rachel Kaufman:**

A lot of e-book has printed but it differs from the others. You can get it by internet on social media. You can choose the very best book for you, science, comic, novel, or whatever simply by searching from it. It is named of book Islands. You'll be able to your knowledge by it. Without leaving the printed book, it could possibly add your knowledge and make anyone happier to read. It is most essential that, you must aware about e-book. It can bring you from one destination to other place.

#### **Kelly Edge:**

Reading a publication make you to get more knowledge from this. You can take knowledge and information from the book. Book is composed or printed or highlighted from each source in which filled update of news. With this modern era like at this point, many ways to get information are available for a person. From media social like newspaper, magazines, science e-book, encyclopedia, reference book, new and comic. You can add your knowledge by that book. Do you want to spend your spare time to open your book? Or just seeking the Islands when you required it?
