## **The Wall** Marlen Haushofer

“I can allow myself to write the truth; all the people for whom I have lied throughout my life are dead...” writes the heroine of Marlen Haushofer’s *The Wall*, a quite ordinary, unnamed middle-aged woman who awakens to find she is the last living human being. Surmising her solitude is the result of a too successful military experiment, she begins the terrifying work of not only survival, but self-renewal. *The Wall* is at once a simple and moving talk — of potatoes and beans, of hoping for a calf, of counting matches, of forgetting the taste of sugar and the use of one’s name — and a disturbing meditation on 20th century history.
