## **Featurings stories**

*Do you know me?*

She had been my playmate and best friend since childhood and our bond continues to be the same, or maybe not, because since I left home, we had talked very less. Even the last time when I went home, i.e. the week before, she was the shyest person I saw. And I don't understand, why all of a sudden, I started talking about her so much.

*Heart break?*

We were friends for so long, before we started dating, and people always say best friends make best partners. Our friendship didn't withstand the tests of love. I still remember those days when I was helping you to hit on the girls you liked, or trying to complete your projects because you're lazy.

*The Coffee table.*

I kept the coffee on her table and since there were no other customers I sat with her. She told me about the chain of events that led to her break up. We talked for a while as she gradually started feeling better. The conversation now shifted to me.

*Beyond beauty.*

The girl, who had just crossed her teens noticed his stare! She smiled slightly!  
Late previous evening during the College dance party she had been introduced to him by a common friend. Not that they could meet and talk at any length!

*The Unspoken.*

She looked at those charming eyes, so full of love and sighed inside her head. Weren't those eyes the reason she fell for him? It was love at first sight, for both of them. She thought destiny brought him to her to fill her distraught life with boundless love.

### *Destiny*

I give myself a pep talk, knowing I'll be bolstered by having a mutual party to break the ice. "Game on. You got this."

She's every bit as beautiful as I remember. Our eyes meet again and this time I smile as he introduces us, she holds out her hand. A handshake? It's different, I guess... I can deal with that. I grasp her hand, lightly but tight enough to control the duration of our touch.

### *The Red Rose*

She actually lied, she knew her father was having a bad time financially and she didn't want to ask him for money. Her mother had also started a small stitching center to help their family in this bad time. Deep down inside, a part of her wanted to go out and enjoy with her buddies. Her father would never say no to her, she knew it. But she had an idea of the trouble her father would have to face because of this expense. Hence, she decided to stay home and help her mother with the stitching to reduce her work load.

### *Love beyond control*

Just then Peggy hugged Peter and kissed him. Her perfumed kiss is a great experience to have in the history of kiss and a kiss of a hot girl like Peggy has no comparison with other. Peter tried to talk with her in helpless condition that he is not the one she is expecting.

### *Two Worlds*

She looked at herself in the mirror. Satisfied with how she looked she grabbed her bag and went down to the dining room.

He drew his hands through his already wet and unkempt hair to only further mess it up. He wore his socks and shoes. He grabbed his wallet and walked out of the room to eat breakfast.

### *Life is a surprise*

The story of me falling madly in love didn't actually go as I had expected. My throat never got dry, ever. But then, I liked a girl. Of course, it wasn't 'love'. Actually speaking, it wasn't even 'like'. As a matter of fact, I have no idea what I felt.
