22-year-old Penny Buchanan is having the worst day of her life. She's lost her job, her shrew of a woman who raised her won't let her live it down, and to top it all off, her crappy car won't start. The least she expects is a ride home from the auto repair shop. What she doesn't anticipate is who will show up to take her there.

When Ethan Buchanan, her gorgeous, billionaire step drives all the way across town to give her a ride, Penny is amazed. She's never been close to Ethan, and what happens next comes as an even bigger surprise. To satisfy her darkest desires, all Penny has to do is agree to a few rules. Rules that make her nervous and excited all at the same time... Rules that will lead to Ethan **taking her hard, and without protection...**

But is it really discipline if Penny likes it?
