The Laws of Spirit: Teachings of the Mountain Sage (A Tale of Transformation) Dan Millman

The Laws of Spirit, a parable and teaching tale, opens as Dan Millman encounters a mysterious woman sage in the wooded hills near his home. Through stories, tests, and experiences in the wild, she challenges Millman to examine twelve core principles that underlie human existence: Balance, choice, process, presence, compassion, faith, expectation, integrity, action, cycles, surrender, and unity.

The program reveals how these keys - at the heart of every religion, culture, and moral system - can lead to a deeper sense of meaning, connection, and harmony with the world and transform relationships, careers, finance, and health. Quotations and reminders from across the centuries inform and inspire listeners as they accompany Dan on his journey to wisdom.

As Millman relates, "These laws belong to each and all of us. They are found within our own hearts and at the heart of every religion, moral system, and spiritual tradition." As you make your own odyssey through this transformative tale, you will find keys to life's hidden potential and open doors to a deeper sense of meaning and connection with all of creation.
