The Other World combines a comparative and area studies approach to explore contemporary global issues in the non-Western world. Accessible and interdisciplinary, this text provides students with historical, political, economic, and cultural background as well as case studies on Latin America, Sub-Saharan Africa, Asia, the Middle East and North Africa, and Central Asia and the Southern Near Abroad. Describing similarities and differences among regions and focusing on key countries and problems, *The Other World* is a practical survey of the issues affecting the majority of the world's population and their local and global context.
