**The Secret Life of Bees (Penguin Drop Caps)** Sue Monk Kidd

**From A to Z, the Penguin Drop Caps series collects 26 unique hardcovers—featuring cover art by Jessica Hische**

It all begins with a letter. Fall in love with Penguin Drop Caps, a new series of twenty-six collectible and hardcover editions, each with a type cover showcasing a gorgeously illustrated letter of the alphabet. In a design collaboration between Jessica Hische and Penguin Art Director Paul Buckley, the series features unique cover art by Hische, a superstar in the world of type design and illustration, whose work has appeared everywhere from Tiffany & Co. to Wes Anderson's recent film *Moonrise Kingdom* to Penguin's own bestsellers *Committed* and *Rules of Civility*. With exclusive designs that have never before appeared on Hische's hugely popular Daily Drop Cap blog, the Penguin Drop Caps series launches with six perennial favorites to give as elegant gifts, or to showcase on your own shelves.

**K is for Kidd.** Set in South Carolina during the tumultuous summer of 1964, *The Secret Life of Bees* also ushered young Lily Owens, a girl transformed by the power and divinity of the female spirit, into the canon of modern-day heroines. Lily and her fierce-hearted black “stand-in mother” escape the racism of their hometown and find refuge with an eccentric trio of black beekeeping sisters, whose world of bees, honey, and the Black Madonna is mesmerizing.

#### William Matthews:

Information is provisions for people to get better life, information presently can get by anyone on everywhere. The information can be a information or any news even a huge concern. What people must be consider if those information which is inside the former life are hard to be find than now's taking seriously which one is appropriate to believe or which one typically the resource are convinced. If you find the unstable resource then you have it as your main information you will have huge disadvantage for you. All of those possibilities will not happen with you if you take The Secret Life of Bees (Penguin Drop Caps) as the daily resource information.

#### Ian Bracy:

As a college student exactly feel bored for you to reading. If their teacher requested them to go to the library in order to make summary for some guide, they are complained. Just tiny students that has reading's spirit or real their hobby. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that looking at is not important, boring along with can't see colorful pics on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this The Secret Life of Bees (Penguin Drop Caps) can make you experience more interested to read.
