**Art In History: 600 BC - 2000 AD: Ideas in Profile** Martin Kemp

When we look at a painting by Raphael, Rembrandt, or Rubens it speaks to us directly, but it's also an historical document, part of a living world. Martin Kemp takes the reader on an extraordinary trip through art, from devotional works to the revolutionary techniques of the Renaissance, from the courtly Masters of the seventeenth century through to the daring *avant-garde* of the twentieth century and beyond. *Art In History* is an indispensable, accessible and richly detailed guide to our culture, our history, our heritage, and our art.

**Martin Kemp** is emeritus professor of the history of art at Oxford University.
