## South Street Barbara Mensch

*South Street* is Barbara G. Mensch's evocative tribute to the lost world of Lower Manhattan's Fulton Fish Market. For more than a century, a colorful, tightly knit community of fishmongers, many of them recent immigrants and children of immigrants, thrived under the base of the Brooklyn Bridge. Resistant to government regulations and corporate encroachment, these men lived in a closed, internally policed world that was deeply hostile to outsiders.

As a young photographer in the early 1980s, Mensch bonded with this particular group of "authentic New Yorkers," becoming a confidante for their life stories, which were often filled with hardship, mystery, and misadventures. These striking photographs capture the unique personality and fierce secrecy of their vibrant working-class culture. Combined with lively commentary—reminiscent of Studs Terkel's riveting oral histories—the images offer a rare peek inside a society described by Philip Lopate as "a precious last vestige of historic Gotham."

Mensch's story ends with the closure of the docks and the opening of the Seaport mall, a symbolic victory of corporate interests over more than a century of mob rule. Her visual essay recounts the driving forces and the effects of this urban transformation on the entrenched community of fishmongers, creating an enduring historical document. Though the Fulton Fish Market no longer resides below the Brooklyn Bridge, the history and energy of this cherished New York City landmark are beautifully preserved in this book.

This book which is qualified as The Hungry Hills can get you closer in getting precious person. By looking way up and review this reserve you can get many advantages.

#### John McGinnis:

Do you like reading a book? Confuse to looking for your selected book? Or your book has been rare? Why so many problem for the book? But almost any people feel that they enjoy intended for reading. Some people likes reading, not only science book but additionally novel and South Street or maybe others sources were given information for you. After you know how the truly great a book, you feel would like to read more and more. Science guide was created for teacher as well as students especially. Those textbooks are helping them to put their knowledge. In other case, beside science publication, any other book likes South Street to make your spare time a lot more colorful. Many types of book like this one.

#### Marcela Beach:

As a scholar exactly feel bored in order to reading. If their teacher inquired them to go to the library as well as to make summary for some publication, they are complained. Just little students that has reading's spirit or real their interest. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading really. Any students feel that studying is not important, boring and can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this South Street can make you sense more interested to read.
