From the inside cover of Texas Cooking: "Travel and food are forever entwined in the minds of vacationers. When you visit a place and return home, you may wind up talking about the foods you ate as much as the sites you saw.

Every state has its own way, and its own history of preparing its foods. This is Texas cooking, reflecting home-made, hand-me-down recipes from generations past, delectable recipes from many of the state's top restaurants and new Southwest-style recipes from some of the nation's most famous and respected Texas chefs.

Welcome to Texas and bon appetit!"
