[(The Sacred Symbols of Mu)] [Author: James Churchward] published on (October, 2007) James Churchward

Occultist James Churchward was obsessed with the lost continent of Mu, home to the original human civilization, after learning of this mysterious and forgotten paradise from an Indian priest, who shared several ancient tablets written by the Naacals, the inhabitants of Mu. Or so Churchward claimed. Here, in this work first published in 1933, Churchward discusses his contention that all religions from across Earth share a common origin in Mu. In particular, he explores how symbols of Mu-gleaned, supposedly, from the ancient tablets-bear startling resemblances to everything from the Egyptian ankh and Chinese pictograms to Native American calendar glyphs. The reality of Mu aside, students of comparative mythology and fans of esoterica will find this a fascinating book. British inventor, engineer, and author COLONEL JAMES CHURCHWARD (1851-1936), the elder brother of mystic author Albert Churchward, also wrote *The Lost Continent of Mu* *Motherland of Man* (1926), *The Children of Mu* (1931), *The Lost Continent of Mu* (1931), *Cosmic Forces of Mu* (1934), and *Second Book of Cosmic Forces of Mu* (1935).
