Carles Sirera Miralles

Un título para las clases medias (Spanish Edition) Carles Sirera Miralles

El pilar fundamental que sostiene el parlamentarismo es la idea de que una opinión pública ilustrada y correctamente informada siempre será capaz de escoger a los mejores representantes posibles. Con esta premisa, las revoluciones liberales europeas fundaron el bachillerato como el espacio educativo donde se formaría el ciudadano autónomo y responsable que conformaría esa opinión pública idealizada. Por esta razón, este libro estudia el surgimiento de la enseñanza media y el caso del Instituto Provincial de Valencia con un enfoque analítico exhaustivo y riguroso, con el propósito de conocer mejor a esas clases medias que debían ser el sustento del liberalismo en España. Una apasionante lectura sobre esos años de la vida escolar que más significativamente nos han marcado, porque, como decía el escritor Max Aub, somos de donde cursamos el bachillerato.
