An African Tree of Life

Thomas G. Christensen

An African Tree of Life Thomas G. Christensen

An African Tree of Life demonstrates how mission involves not only a "bringing-to" a people, but a "discovering-of" those deep symbols in human culture and God's creation that, in the light of the gospel, draw humanity to Christ. This book, in a scholarly yet intriguing way, explores the stories and rituals of the Gbaya people of the Cameroon and the Central African Republic. These deep symbols are typically centered not in the esoteric or exotic but in the familiar and everyday. Christensen focuses on the especial importance of the peace-bringing tree of life--the soré tree--central to the lives and worship of the Gbaya. "Gbaya Christians" says Christensen, "offer to North American Christians fresh and hope-filled images, rich metaphors, new and yet familiar to us" Thus, An African Tree of Life is an important book not only for theologians, missiologists, and Africanists but for all those concerned with issues of contextualization and seeking life-giving symbols in the quest to communicate the gospel message.

From reader reviews:

Curtis Salas:

This book untitled An African Tree of Life to be one of several books this best seller in this year, this is because when you read this reserve you can get a lot of benefit in it. You will easily to buy this particular book in the book shop or you can order it by means of online. The publisher of the book sells the e-book too. It makes you easier to read this book, because you can read this book in your Mobile phone. So there is no reason to you to past this book from your list.

Erna Taylor:

This An African Tree of Life is great guide for you because the content which is full of information for you who have always deal with world and still have to make decision every minute. This book reveal it information accurately using great manage word or we can point out no rambling sentences in it. So if you are read this hurriedly you can have whole info in it. Doesn't mean it only provides straight forward sentences but tricky core information with beautiful delivering sentences. Having An African Tree of Life in your hand like finding the world in your arm, facts in it is not ridiculous 1. We can say that no guide that offer you world in ten or fifteen small right but this publication already do that. So , this really is good reading book. Hey there Mr. and Mrs. stressful do you still doubt which?

Enoch Dutton:

Many people spending their period by playing outside along with friends, fun activity having family or just watching TV the whole day. You can have new activity to invest your whole day by reading through a book. Ugh, think reading a book can definitely hard because you have to bring the book everywhere? It all right you can have the e-book, getting everywhere you want in your Smartphone. Like An African Tree of Life which is finding the e-book version. So , why not try out this book? Let's see.

Alice Black:

That publication can make you to feel relax. That book An African Tree of Life was vibrant and of course has pictures around. As we know that book An African Tree of Life has many kinds or variety. Start from kids until teens. For example Naruto or Detective Conan you can read and feel that you are the character on there. So , not at all of book are usually make you bored, any it offers up you feel happy, fun and chill out. Try to choose the best book for you personally and try to like reading that.
