## **Bundle: Child and Adolescent Development in Your Classroom + Early Childhood Education CourseMate with eBook Printed Access Card**

Christi Crosby Bergin, David Allen Bergin

Covering development from early childhood through high school in an easy-to-follow format, this book provides future teachers with authentic, research-based strategies and guidelines for their classrooms. The authors apply child development concepts to topics of high interest and relevance to teachers, including classroom discipline, constructivism, social-emotional development, and many others. A strong emphasis on diversity among children is reflected throughout. Case studies and real-world vignettes further bridge the distance between research and the classroom, helping future teachers be better prepared to create an environment that promotes optimal development in children.
