**Financial and Managerial Accounting** Jerry J. Weygandt, Paul D. Kimmel, Donald E. Kieso

Financial and Managerial Accounting, by Weygandt, Kimmel, Kieso is a new introductory program for the two semester accounting sequence that presents equal coverage of both introductory financial and managerial accounting topics. The Team for Success authors of Jerry Weygandt, Paul Kimmel, and Don Kieso bring years of industry, academic, and writing experience to the development of this new title which gives students the tools they need to understand the accounting cycle and key financial accounting topics, while presenting the managerial topics in an easy-to-understand fashion in a decision-making framework.

The Team for Success authors understand where students struggle in introductory accounting, and have developed a learning system that illustrates the accounting cycle and key transactions, while giving student the tools to apply their learning through sample exercises throughout the chapter. Weygandt Financial and Managerial Accounting relates accounting concepts to real-world experiences, is full relevant examples to students' lives, and provides IFRS coverage that will prepare students for the global economy.

Students using Weygandt, Financial and Managerial Accounting with WileyPLUS will spend more time with the material because it demonstrates the relevance and offers multiple opportunities for practice both in the book and in WileyPLUS. Students take more initiative with their learning, so you'll have a greater impact in the classroom.

WileyPLUS sold separately from text.
