John Marshall and Alexander Hamilton, architects of the American Constitution

Samuel Joseph Konefsky

John Marshall and Alexander Hamilton, architects of the American Constitution Samuel Joseph Konefsky

When John Marshall became Chief Justice in 1801, the life of Alexander Hamilton was moving to a tragic and untimely end. Marshall began the most significant phase of his public career at a moment of frustration and defeat for Hamilton, and for the party to which they both belonged. Yet during the ensuing thirty-four years of his Chief Justiceship, Marshall succeeded in weaving into the fabric of American society, precepts and values to which Hamilton had deeply committed. Professor Konefsky is the first to study both historic figures together, and to analyze their contribution to America's constitutional system; Hardcover with Index, 274pp.
