People scour the Web for endless hours to find good investment advice, or read consumer magazines by the dozens before buying a car. But next to your relationship with God, there is no greater investment on earth than in a happy and successful marriage. Finding God's counsel, warnings, and wisdom on marriage and the home is better than pure gold—and will pay generous dividends for generations on earth and on into eternity.

In eleven insight-rich chapters, Pastor Greg Laurie opens God's Word to show husbands and wives how to find oneness and harmony in their lives together—and how to avoid the common snares and perils along the way.
