Belinda (Oxford World's Classics)

Maria Edgeworth

Belinda (Oxford World's Classics) Maria Edgeworth

The lively comedy of this novel in which a young woman comes of age amid the distractions and temptations of London high society belies the challenges it poses to the conventions of courtship, the dependence of women, and the limitations of domesticity. Contending with the perils and the varied cast of characters of the marriage market, Belinda strides resolutely toward independence. Admired by her contemporary, Jane Austen, and later by Thackeray and Turgenev, Edgeworth tackles issues of gender and race in a manner at once comic and thought-provoking. The 1802 text used in this edition also confronts the difficult and fascinating issues of racism and mixed marriage, which Edgeworth toned down in later editions.

About the Series: For over 100 years **Oxford World's Classics** has made available the broadest spectrum of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, voluminous notes to clarify the text, up-to-date bibliographies for further study, and much more.
