**Computer Intrusion Detection and Network Monitoring: A Statistical Viewpoint (Information Science and Statistics)** David J. Marchette

This book covers the basic statistical and analytical techniques of computer intrusion detection. It is the first to present a data-centered approach to these problems. It begins with a description of the basics of TCP/IP, followed by chapters dealing with network traffic analysis, network monitoring for intrusion detection, host based intrusion detection, and computer viruses and other malicious code.

### **From reader reviews:**

#### **Michael Milliner:**

The book Computer Intrusion Detection and Network Monitoring: A Statistical Viewpoint (Information Science and Statistics) make one feel enjoy for your spare time. You can use to make your capable considerably more increase. Book can to be your best friend when you getting pressure or having big problem with the subject. If you can make looking at a book Computer Intrusion Detection and Network Monitoring: A Statistical Viewpoint (Information Science and Statistics) to get your habit, you can get far more advantages, like add your own capable, increase your knowledge about several or all subjects. You can know everything if you like start and read a e-book Computer Intrusion Detection and Network Monitoring: A Statistical Viewpoint (Information Science and Statistics). Kinds of book are a lot of. It means that, science guide or encyclopedia or some others. So , how do you think about this e-book?

#### **Steven Bourg:**

Reading can called brain hangout, why? Because when you find yourself reading a book specifically book entitled Computer Intrusion Detection and Network Monitoring: A Statistical Viewpoint (Information Science and Statistics) your mind will drift away trough every dimension, wandering in each and every aspect that maybe mysterious for but surely will become your mind friends. Imaging each word written in a book then become one web form conclusion and explanation that will maybe you never get ahead of. The Computer Intrusion Detection and Network Monitoring: A Statistical Viewpoint (Information Science and Statistics) giving you an additional experience more than blown away your mind but also giving you useful data for your better life in this era. So now let us teach you the relaxing pattern the following is your body and mind is going to be pleased when you are finished reading through it, like winning a sport. Do you want to try this extraordinary spending spare time activity?

#### **Scott Foust:**
