Engaging Deconstructive Theology (Ashgate New Critical Thinking in Religion, Theology, and Biblical Studies) Ronald T. Michener

"Engaging Deconstructive Theology" presents an evangelical approach for theological conversation with postmodern thinkers. Themes are considered from Derrida, Foucault, Mark C. Taylor, Rorty, and Cupitt, developing dialogue from an open-minded evangelical perspective. Ron Michener draws upon insights from radical postmodern thought and seeks to advance an apologetic approach to the Christian faith that acknowledges a mosaic of human sources including experience, literature, and the imagination.
