Essentials of Veterinary Hematology Nemi C. Jain

"Essentials of Veterinary Hematology" is a concise text on the subject of veterinary hematology. It has been written to provide a ready source of current and fundamental information necessary to the understanding of basic concepts in hematology as a discipline and veterinary hematology as a specialty. The book is aimed at undergraduate veterinary students, veterinary medical technologists, animal technicians, and all those interested in an abridged text in comparative hematology. Graduate veterinary students can use it as a ready source for reviewing the pathophysiology of blood as it relates to clinical veterinary medicine. A generalized approach to the interpretation of various hematologic abnormalities is presented throughout the text, along with comments on species-specific hematologic attributes and hematologic abnormalities encountered in various species.
