My name is Safia Dirie. My family has always been my mum, Hoyo, and my two older brothers, Ahmed and Abdullahi. I don't really remember Somalia - I'm an East London girl, through and through. But now Abo, my father, is coming from Somalia to live with us, after 12 long years. How am I going to cope? Safia knows that there will be changes ahead but nothing has prepared her for the reality of dealing with Abo's cultural expectations, her favourite brother Ahmed's wild ways, and the temptation of her cousin Firdous's party-girl lifestyle. Safia must come to terms with who she is - as a Muslim, as a teenager, as a poet, as a friend, but most of all as a daughter to a father she has never known. Safia must find her own place in the world, so both father and daughter can start to build the relationship they both long for. *From Somalia With Love* is one girl's quest to discover who she is - a story that, while rooted in Somali and Muslim life, strikes a chord with young people everywhere.
