Sabotaged (Missing) Margaret Peterson Haddix

A New York Times Bestselling Author -- After helping Chip and Alex survive fifteenth-century London with no preparation at all, Jonah and Katherine think their next job will be a snap. Their mission: to help return Andrea -- who is really Virginia Dare -- back to the lost colony of Roanoke in the sixteenth century. They'll help her restore the balance of history, and then they can all go home. Sounds simple and safe. But right away, things start to go wrong.
