THE FURTHER TRAVELS OF WYATT EARP #1

KINDLE EXCLUSIVE EXPANDED EDITION\*

Years after the legendary Gunfight at the O.K. Corral, Wyatt Earp leaves law enforcement behind, vowing to never die at the end of a bullet. But as he travels the American West he discovers that his good reputation can be his worst enemy, because every time he thinks he's out, they pull him back in.

What we now know as the state of Idaho was once a desolate land of fur-trading outposts on the way to the Pacific. But all that changed in October of 1860 when Elias Davidson Pierce discovered gold in Orofino Creek. Soon, thousands of prospectors swarmed the region, chased away the natives and set up mining camps

that quickly grew into large cities. But along with these greedy young men also came crime, and law and order was in short supply...

...until Wyatt Earp came to town.

\*Includes Further Travels of Wyatt Earp #1, concept art, process, art, original lettering script.
