*William Shakespeare*

## **Cymbeline (The New Cambridge Shakespeare)** William Shakespeare

This new edition of Shakespeare's *Cymbeline* considers the critical and historical scholarship released in the late twentieth century. It highlights the play's elements of romance, tragicomedy and Jacobean stagecraft and acknowledges the postmodern indeterminacy of its key moments. Martin Butler departs from the legacy of the sentimental Victorian interpretation of the heroine, Innogen, and focuses on the politics of 1610, especially regarding questions of British union and nationhood.
