Home Education For People Who Don't Practice It Lisa Powell

This book is written to be a low cost source of basic information on what home education is about and how it works. Hopefully families can use it as part of their toolbox in communicating with their families and communities to make their kids' education plan work. Extended family or friends might themselves find this book and use it to ground themselves in foundation information before starting discussions. In addition, I hope that the smattering of answers here might make it easier for families that are making or considering a transition to home education themselves to discern their paths.
