High-school seniors Bella and Sasha are just one month away from graduation. They are spending their last moments together hanging out as usual, but a risqué school project has them doing things they've never done before. It gets hot and steamy, but will their be able to get their hands and mouths off of each other before Sasha's parents find out?

Explicit: This hot 3,100 word story contains explicit scenes of oral sex, fingering, and the first time sexual discovery of a virgin lesbian. It is of adult nature and meant for readers over 18 years of age.

Excerpt:

The next part happened so quickly that Sasha didn't know what was happening. Bella put down the camera and walked toward

her. She unwound the sheer fabric and tossed it to the floor, taking Sasha's breasts in her hands. And then she kissed her.

Sasha felt the softness of Bella's lips push up against her own. She tasted like the berry flavored lip gloss they always shared. Sasha couldn't believe how hot Bella's tongue was as it parted her lips and darted into her own mouth. She felt herself grow wet.

Then Bella pulled back. Her hands were still on Sasha's breasts, but she looked at her with serious eyes.

"Do you want this?" she asked.

Sasha nodded her head.

"Yes."
