Designed for the Mustang restorer and model car builder alike, this book gives vintage Mustang enthusiasts the detailed information and Illustrations they need to build highly accurate models or restored full-size cars. Text covers what finishes, materials, and parts were correct for each year, with information on variations and options. Full-color photos show detailed views of the car's body and trim, chassis and undercarriage, drivetrain and engine bay, and interior. Straight profile and front and rear views are printed to scale to allow enthusiasts to accurately place decals, stripes, and trim pieces. Sidebars cover production numbers, performance figures, and paint, trim, and interior codes and colors. Most vintage Mustangs have been modified heavily over the last 40 years.
