#### **Juanita Stoneman:**

As a university student exactly feel bored in order to reading. If their teacher asked them to go to the library as well as to make summary for some book, they are complained. Just small students that has reading's heart or real their interest. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that reading is not important, boring and can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, many ways

to reach Chinese's country. Therefore , this Stress, Health and Well-Being: Thriving in the 21st Century 1st (first) Edition by Harrington, Rick [2012] can make you experience more interested to read.
