Once, Tori and Jake Madison had a loving, satisfying marriage. But Jake's long hours spent on his growing business, and Tori's insecurities and self-doubts, have taken a toll on their relationship. When a tragedy threatens the bonds of their marriage, Jake seeks comfort in the arms of another woman. But his feelings for Tori still burn hotly--and he knows that the only way to reclaim what they have lost is to come home. In spite of Jake's betrayal, Tori cares deeply for her husband. If they are to reconcile, though, changes must be made. Complicating things is Sheila Moore, Jake's sexy, conniving business partner, who lured him into her bed once, and is now determined to hook him for good. But she underestimates the power of a wife in love--one who has no intention of giving up without a fight.
