The Second Coming of Christ: Photo Essay (Volume 33) Christopher Alan Byrne

The Second Coming of Christ is photo essay. It is assembled 195 art and photo; so review the Christ phenomenon to be significant spirit energy to organize and guide collective humanity. Quotes include Gospel of John to 'word of God' and Greek origins renamed from 'logos' after Jesus death from crucifixion. Chapters review rules and understanding the angel Christ; while to provide series of art and photo of collective actions and to translate principles from Chameleon to Archangels. The first Christ was Jesus Christ; who was called the only son of the true God. The essay considers the Second Coming of Christ, and focuses to consider references of the 'Lion of Judah'. The denied humanity and tortures create a second appearance of the Christ. Work of Sir Isaac Newton is found; who wrote some 50 religious treatises, and assembled 20 pages of entirely Biblical quote of opinion to the Second Coming. His interpretations were of predominately vain references to be spirit; so to incarnate of human an otherwise not found person. The 'Lion of Judah' is similar of a radio handle to surviving God; who appears of enhanced potentials. The Second Christ is suggest father God. Newton references include to not go to a wilderness to search of only burnt tares; since are they are discovered in one's barn. Do not go to an inner house; since the Christ is spirit. Saint Augustine was Bishop of the early Catholic Church from 386 AD; whom wrote 'The City of God', and called 666 to be a perfect number of a taunted God. Verse are found to suggest a return of Jesus; so assess limited resource to understand God. The Lion is suggest to lack either source or destiny; since he is formed from rejecting sins. The essay present theory of an Ark of Covenant to be historical relic; yet to be allegory of a Grand Canyon, and follow the paradox to create Grail for humanity. The rise of the Christ is seen similar to add corn starch to a thin soup. The decision to say 'no' then increases rapport to the Archangels. Language instruction and photo series are included about assessing theology doctrine; so to find at any principles or decision to find suicides to the spirit. Action and reaction get resurrection or human fried to marsh mellow. The doctrine of Parousia was intent to get not merely spirit, and to incarnate an actual or literal Second Christ. Eschatology are policy of conduct to the end times; such as to suggest finding pessimism, anger or worsening attitudes. Preterism is a doctrine of things to have gone before; so to predetermine or set some destiny. The theology of the policies are portrayed. Art include God of Prometheus crucified like Jesus; whose humanity is tormented at claim of excessive love for humanity, and to extort sacrifice of meat to Zeus. He is in myth at origin to Field Marshalls. Lineage of the Gods are shown from vain title or names. Prometheus turns to invention; so find myth portrayed from themes of idea. The source of the Christ myth is theorized to be from eastern rejection of reason; so to create a space traveling technology. Jesus Christ is gift from the deity to learn to live morally, and the theme of Second Christ is topic to the essay.
