The Star-spangled Girl - A Random House Play - Book Club Edition

Neil Simon

The Star-spangled Girl - A Random House Play - Book Club Edition Neil Simon

The story is a love triangle, mixed with politics. Andy and Norman are radicals who barely make a living working on their magazine, Fallout, which is dedicated to fighting "the system" in America. Sophie, a former Olympic swimmer, is an all-American, Southern girl who moves into the apartment next door. It's love at first sight (or, as the play has it, first smell) for Norman, but his feelings are not reciprocated. Norman's obsession with Sophie makes Andy hire her just to keep the magazine going. Then Sophie falls for Andy, though they are at odds politically, threatening to destroy the magazine and the men's friendship.
