## **Wisden India Almanack 2014** Suresh Menon

Regarded as the bible of cricket connoisseurs and fanatics, the wisden almanack 2014 has more than a century of cricketing tradition behind it. Tracing its origins back to 1864, the book has been published every year since then, and continues to uphold the legacy of cricket and all the values it stands for. The current edition has been authored by suresh menon. Apart from being the statistical reference point for cricketers and cricket lovers all over the globe, the wisden almanack is brilliantly written and edited, and provides an enjoyable read even for people who are not familiar with the game. The edition has india-specific content, which makes it even more enthralling. The cover picture depicts one of the legends of cricket, sachin tendulkar, walking away from the crease for the final time with his beloved wankhede stadium in the background.although suresh menon has authored this edition, it also contains contributions from various celebrities and significant cricket personalities such as sanjay manjrekar, mahela jayawardene, bishen singh bedi, and anil kumble. The almanack is uk's most consistent bestseller. The wisden almanack 2014 has a huge fan following in india, and the fact that sachin tendulkar retired this year makes it a collector's item of immense value, especially for indians. The almanack was published in 2014 by bloomsbury publishing india private limited. It is available in paperback. Key features: this 'cricket bible' features detailed commentary, beautifully written articles by and about famous indian players and cricketing trends, special features, and the most current statistics from indian cricket.apart from that, it contains detailed coverage of every single first-class cricket match played in india, including scorecards and reports for all test and one day international matches.
