A Mushroom Word Guide: Etymology, Pronunciation, and Meanings from over 500 Mycology Words

Robert M Hallock PhD

This book defines over 500 mushroom-related words and word elements used in mushroom names. Each entry highlights a species that uses the word element, includes the origin and pronunciation of the name, a little information about the mushroom, and related words to help you remember the species names. In addition to these entries, there are several pages featuring famous mycologists which species have been named after, along with a brief biography of their work. Finally, there are detailed descriptions of the most common chemical tests for field mycology.
