Corporate Divestiture Management: Organizational Techniques for Proactive Divestiture Decision-Making Jan-Hendrik Sewing

Jan-Hendrik Sewing makes a significant contribution to opening the black box of current divestiture decision-making. He uses detailed case studies, including numerous interviews with corporate executives and experts from management consulting, private equity, and investment banking. The author develops a conceptual framework to identify remedies to behavioral pathologies and their origins. The study highlights multiple techniques for pursuing divestitures proactively and formulates best-practice recommendations.
