The Lord Jesus Christ said, "I will build my church..." However, a builder does not build without first having a purpose and a plan. The Bible reveals God as a Wise Master Builder who builds according to a divine pattern, and shows us that the fulfillment of His divine pattern always results in an outpouring of the Holy Spirit. The Lord has only one divine pattern that He follows to build His church. For nearly three hundred years after "The Day of Pentecost," the church experienced unprecedented success by following the divine pattern that Jesus revealed to His disciples.

What was the divine pattern that Jesus revealed to His disciples?

Why did the early church continuously experience God's power and glory?

How could the early church have such an enormous impact in every society that it touched?

What is today's church lacking that prevents it from enjoying the same success and impact?

If you desire to experience the same continuous power and glory of the Lord, as those in the early church experienced, then "The Master's Building Plan" is the place for you to start. This book will challenge the church to evaluate its current design in the light of Jesus' divine pattern.
