Radical right parties have only been successful in a few countries. Why do such a small percentage of voters choose the radical right in Germany? Why is the radical right winning more seats in Austria than in France and Germany? Terri Givens argues that radical right parties will have difficulty attracting voters and winning seats in electoral systems that encourage strategic voting and/or strategic coordination by the mainstream parties. Her analysis demonstrates that electoral systems and party strategy play a key role in the success of the radical right.
