**Susan Frame:**

As a university student exactly feel bored to be able to reading. If their teacher requested them to go to the library or to make summary for some publication, they are complained. Just little students that has reading's spirit or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that looking at is not important, boring and also can't see colorful images on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Women and the Making of America, Volume 1 can make you experience more interested to read.
