American Adventurism Abroad: Invasions, Interventions, and Regime Changes Since World War II

Michael J. Sullivan III

Now in its second edition, *American Adventurism Abroad* traces US foreign policy from the late 1940s through the past six years of America's 'war on terror,' and examines the impact of its repeated militaristic meddling into developing nations.

- Examines 34 cases of overseas US militaristic meddling, drawn from eleven presidencies and five geographic regions
- Provides not only understanding of the overseas interventions, but also a framework with which to interpret anticipated future American adventures
- Describes two recent dramatic non-terrorist-related interventions occurring in the Western Hemisphere—in Venezuela and Haiti and two terrorist-related interventions in Afghanistan (confirmed) and Iraq (alleged)
