“Do you like it? My husband always does.”

Jenny had only been on the treatment for a week, and **she had already turned from a frigid wife, to an insatiable nympho**. With her husband unable to keep up with her new 'physical needs,' Jenny **found herself wanting even more**. But her sense of loyalty to Ben was still intact. At least until her best friend and handler, Lindsey, drags Jenny into a situation that offers **the ultimate temptation for an unsatisfied wife**.

When Trey whisks Jenny away to his apartment, the prospect of a **one-night-stand with a better endowed and athletic stranger** drives Jenny into a moral crisis. As she tries to resist her urges, her new personality kicks in. The experimental treatment has transformed her into the perfect bimbo, but **this is only the first week of a long treatment**.

"Don't go off just yet. I haven't shown you the best part."
