## **Clinical Option** John Egerton

A brilliant research scientist in the University of Texas medical school in Austin makes a discovery that could change the way medicine is practiced. A Texas State senator reacts to political embarrassment by attacking the policies and methods of the Research Center. An Emergency Room physician is faced with a situation that forces him to make a difficult ethical decision. A young medical student finds himself involved in medical school intrigue, Texas politics, and his own personal problems.

Set in the city of Austin and the Texas Hill County we find that unexpected things happen behind closed doors.
