After the death of her baby brother, Jasmine's parents are unable to cope with the loss and turn to alcohol and other vices. No one knows the truth except her best friend, Brandon. Living in fear, her life is going nowhere until she meets Jeff Callahan. He's a handsome and successful man who whisks her away from her dull life filled with poverty, despair, and abuse. At first, she is living the ultimate real-life fairytale but all of that begins to change. Jasmine quickly finds out that Jeff has a dark side. His abusive and possessive ways begin to weigh on her. As the relationship deteriorates, she must make a choice. Jasmine finally gets the nerve to leave her past behind her, but her life becomes extremely dangerous.

Brandon has loved Jasmine since they were children but never told her. After two years with the woman who healed his heart, she betrays him and leaves him believing love is a useless emotion. Resolved to never let anyone in his heart again, he finds comfort in his role at the local hospital.

In a twist of fate, they cross paths again finding refuge in each other. In the most unusual of circumstances, Brandon finds himself willing to do anything to protect her once again. They both begin to rekindle the connection they once had but will her past continue to threaten her future? Will they ever find the love that they deserve?
