Mallory Westin was born into power. But when her family's quest for more power caused her a broken heart, she turned her back on the only life she ever knew. Now a successful owner of a security firm, she's determined to forge her own path. But sometimes one's past isn't so easy to leave behind. Mallory has to take control of the power she was destined for after discovering her politician father is involved in an assassination plot. Things only get worse as the one man she's always loved becomes a target as well.

Reid Simpson had loved Mallory since they were teenagers. Then one night changed everything as she suddenly broke his heart. For years, he escaped the pain as he built his resort and casino empire. He pushed her from his mind, if not his heart. As Reid encounters increasing danger, he finds that Mallory is the one by his side trying to protect him.

Can Reid and Mallory work together to uncover the assassination plot while avoiding the pain of the past? Or will they discover that love has a way of conquering all?
