Work: A Story of Experience

Louisa May Alcott

Work: A Story of Experience Louisa May Alcott

Moving away from the family setting of her best-known works, Louisa May Alcott explores both her own personal conflicts as a woman, as well as those experienced by her contemporaries in the unemancipated 19th century. Social justice and women's work are the central themes of this novel. If you've read and reread all of Louisa May Alcott's books, and loved her portrayals of brave girls trying to make their way in a harsh world, you must read this "lost" novel, "Work." It is well-written, engaging and humorous, very much in the same style as her other novels for girls, yet with more of a depth of maturity to her characters. If you've read "An Old Fashioned Girl" you will see a lot of "Polly" in the working girls portrayed in this novel. Readers are bound to enjoy this "new" Alcott novel!
