The Ex Games

Handsome billionaire, Brandon Hastings was Katie Raymond's first love. They had a whirlwind romance that captivated her heart and took her on a sexual journey she never wanted to end. Their future together looked bright until Brandon found out that Katie was keeping a huge secret from him. Once he realized the truth, he broke her heart and she never saw him again.

Seven years later, Katie has finally moved on and accepts the position of her dreams at Marathon Corporation as an executive manager. The only problem is, Brandon Hastings bought the business a month after she started working there.

Now Katie has to fly to San Francisco to attend a company-wide orientation and she is scared that Brandon is going to fire her on sight. Little does she know that Brandon has lot more planned for her and this time he's the one keeping a secret.

The Private Club

What happens at the private club stays at the private club!

When Meg Riley lost her job as an attorney, she never thought she'd end up working for a private club. But when she met the handsome and elusive, Greyson Twining, she knew she couldn't turn the job down; even though she didn't really know what the position entailed.

Greyson Twining is the owner of the private club and he knows that it's a mistake to hire, Meg. However, there is something about the way she smiles at him that makes him forget his own reservations. And then there's the call from, Brandon Hastings telling him not to hire Meg. A call he should have listened to more closely.

As, Meg and Greyson embark on day one of training, neither of them realize that there are secrets about to come out that will completely alter both of their lives.

After The Ex Games

Can love exist when secrets are revealed and promises are broken?

When Brandon Hastings and Greyson Twining started the private club, they never knew just how much it was going to change their lives. Power, greed, sex, and money filled their brains, but love never touched them.

When Katie Raymond and Meg Riley entered their lives, everything they thought they knew about life changed. They realized that love meant more to them than anything else and they were ready to start their lives anew. However, the course of true love never runs smoothly and happiness and marriage may not be in their futures.

When secrets from the past are revealed and lies are exposed, both men fear they will lose the love of their lives. Brandon and Greyson know that they only have one chance to make everything right, but the one person they are counting on to help them, may be the one person who wants to take them both down.

The Love Trials

She thought she knew what was between the sheets, but she really had no idea.

I thought I knew what I was getting into when I received the invitation from the lovers academy. I thought I was going for love. I had no idea that the lovers academy cared more about what happened between the sheets than it did a meeting of the minds and souls.

This isn't your regular love story. My Prince Charming didn't ride up on a white horse and come and save me. In fact, he warned me to stay away from him. Of course, I didn't listen. Why would I? There's something so exciting about going after someone you shouldn't have.

However, I never thought it would be like this. I've never felt so conflicted in my life. No one told me that being bad could feel so good. No one told me that when the big bad wolf tells you to run away and hide, you should listen.

If I'd only known just how far from charming my prince was, I would have ignored the invitation.

Readers of this series of books should also be above 18 years of age due to mature situations and language.
